Dear Friends of the Ministry,

Greetings from Sakila! My trip to the USA was blessed, and many friends were open to supporting the ministry. That's why we are still training so many students at the Bible school. However, during this time in the USA I was in much pain with my knee injury. Many people prayed for me and even took care of me when I couldn't get out of bed. Thank God, now I am well and back in Tanzania doing the work of the ministry.

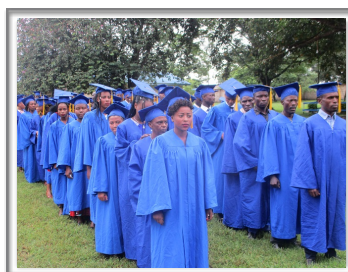

Our Bible school graduation date was June 3, and our 40th anniversary is taking place on June 20. Praise the Lord! What a testimony!

In April we finally had good rain. Thank you for your prayers! The corn looks good, but we need more rain to continue so we can get a good harvest. Please keep praying.

The big challenge now is still getting food to our surrounding villages. We are trying to help them as much as we can until the next harvest in September.

To all in the USA "who are loved by God and called to be saints: Grace and peace to you from God our Father and from the Lord Jesus Christ." Romans 1:7

*Love you all,
Bishop Eliudi Issangya*

The first Bible school class of 2023 graduated in June with 69 students.

Baptism of 40 people in Sakila

Maasai Ministry

In the Simanjiro region, about 80 miles from Sakila, the Lord has opened up doors of ministry to the Maasai people. We have a growing church in this Maasai land of about 800 members. Recently we had a wonderful church service there, and 20 people decided to join our next Bible school class.

One of the ways we've been able to reach and bless the Maasai people is by providing access to clean water through our water drilling ministry team. Praise the Lord!

Traveling to Tanzania?

If you're taking a trip to visit any of the IEO ministries, whether on your own or as part of a mission team, we'd love to feature some of your favorite memories on social media or even in our next newsletter! Send your pictures with pertinent info to our newsletter editor and social media manager at cristalkroppgarvin@gmail.com.

Arusha Crusade

In mid-May, we held a weeklong crusade in Arusha. We had evangelism teams going door to door to share the gospel and invite Arusha residents to attend the crusade. Our indoor and open air meetings were packed, and many people were saved and baptized. Thank you for your support of these events. To God be the glory!
