A Time to Rejoice

Two of our students at Hebron Secondary School graduated from Form 4 on October 19, a wonderful day of celebration. Anitha and Rose will further their education with college preparatory Forms 5 and 6, the equivalent to U.S. junior college. We also have four students who will move from the main orphanage in Arusha to Sakila early next year to start Form 1. Three of our girls

will complete Form 6 in May of next year and will continue on to college or university based on their national exam results.

This year's graduation party for the CHO Hebron students was sponsored by Calvary Chapel of Knoxville, TN. During their mission trip to Tanzania, Calvary Knoxville's team of 11 people celebrated with the graduates and showered all of the teenagers with gifts and a feast of pizza, cake, and American snacks as well as traditional Tanzanian foods.

Please pray for our CHO teens and young adults as they pursue their studies and future vocations. Some sponsors are not able to continue sponsorship past high school, so general contributions toward the college students' expenses are crucial to their success. Thank you for your support and prayers!

Milk for the Children

The orphanage's dairy cows have stopped producing milk. We would like to purchase another dairy cow that is currently producing milk and a bull to grow the herd. The goal

is to have a readily available source of milk at all times. The cost for a bull and a cow will be \$1,200 each. If you would like to contribute toward this need, please label your donation accordingly. The children and staff look forward to having fresh milk again as soon as we can supply the funds.

Success Story

On her recent visit to Tanzania, IEO Board Member Crystal Garvin was delighted to learn that Elisha, one of our adult orphans, is fulfilling his dream of becoming a successful photographer. Two years ago, Crystal delivered his first camera as a Form 4 graduation gift from his sponsors, who knew of his aspirations.

Elisha photographed the graduation ceremony, and seeing him in action inspired his CHO brothers and sisters. He expressed that he "felt an overwhelming appreciation" for the people who have supported him on his journey, especially his sponsors. What a powerful reminder of the difference sponsorship makes!

Sponsorship Opportunities

A handful of the newest children to arrive at the orphanage have not been sponsored yet, and some of our older children's sponsors are unable to continue sponsorship. Those who need full or partial sponsorship are pictured here. We are grateful to have sponsors who give above and beyond and donors who contribute to the CHO general fund, making it possible to meet all of our expenses each month, but we would love for each child to have their own sponsor as well.

After the orphans move from primary to secondary school, their sponsorship increases from \$60 to \$90 per month because they transfer to Hebron, where we pay for boarding as well as their private Christian education. CHO is committed to providing for them until they are fully independent adults. Praise the Lord for His faithful provision and goodness!

Steven Issangya with all of the primary-aged children at the orphanage

For information about sponsorship or writing to your child, contact Jan George:
